

## Professional Development Hours

Participants at the Band Directors Workshop are eligible to receive 13 credits of Professional Development Hours. In order to receive 13 PDH credits, you must be in attendance for all sessions over the two days. The provider will be the Regional Office of Education #17 located in Bloomington, IL.

For those interested in this option, you will enroll for the professional development hours the first day of the workshop (July 13). There is a \$15.00 enrollment fee for the PDH credits that you pay online using the electronic payment link.

Some important considerations!

- #1 - This is a separate fee from the workshop registration fee.
- #2 – If you take the workshop for graduate credit, you are not eligible for PDH credit
- #3 – Participants who attend only one day can receive 7 hours of PDH credits. The enrollment fee for one day is \$7.50. Please pay using cash or check at the day you attend.
